The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for 2-1-1 technology upgrade project in fiscal year 2024. The entity to receive funding for this project is Mile High United Way, located at 711 Park Avenue West, Denver, CO 80205. The funding would be used to upgrade technology that provides better, more efficient services to Coloradans in the 6th Congressional district. The project is an appropriate use of taxpayer funds because it will have a clear economic benefit by assisting job seekers, employers, and local economies. Additionally, upgrading the technology behind 211 will provide better information on where workforce development needs are greatest by zip code, data that the public and social services sectors can leverage to provide community support more efficiently.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
